GROUP 3600

The references listed in the attached PTO Form 1449, copies of which are attached, may be material to examination of the above-identified patent application. Applicants submit these references in compliance with their duty of disclosure pursuant to 37 CFR §§1.56 and 1.97. The Examiner is requested to make these references of official record in this application.

This Information Disclosure Statement is not to be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that these references indeed constitute prior art.

This Information Disclosure Statement is: (i) filed within three (3) months of the filing date of the above-referenced application, (ii) believed to be filed before the mailing date of a first Office Action on the merits, or (iii) believed to be filed before the mailing of a first Office Action after the filing of a Request for Continued Examination under §1.114. Accordingly, it is believed that no fees are due in connection with the filing of this Information Disclosure Statement. However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account 500388 (Order No. MES1P040).

Respectfully submitted,

BEYER WEAVER & THOMAS, LLP

The reference 2 discloses to use Session global variable employing Cookie function of browser, and to employ the variable in temporally storing shopping items referred to as "shopping carts", in case common variables are referenced and updated among a plurality of ASP files.

As is disclosed in the reference 2, it is already known in the art to retain common information among a plurality of browser windows. Accordingly, in case contents information and commercial conditions are handled by means of different browsers or frames in the method for indicating shopping basket functions disclosed in the reference 1, it would have been obvious to one of ordinary skill in the art to combine the commercial conditions into a file and then to store it.
